Basic Rules for Dog Parks

- Animals other than dogs are not allowed in dog parks
- All dogs must be legally licensed, have current vaccinations, and wear a visible license tag
- Dogs that have been declared dangerous or aggressive are prohibited in Pinellas County Dog parks
- Dog owners are solely responsible for the actions of their dogs. Please ensure your dog does not escape from the fenced area
- Female dogs in heat are prohibited
- Keep small children and infants under strict supervision
- Please clean up after your dog (pet owners are responsible for their own disposable bags)
- Dog owners must be in the fenced area and within the unobstructed sight of their dogs, which must be under the control of visual or verbal commands when not on a leash. (Be aware the not all dog owners are watching their dogs, which means when the dog is not acting appropriately, the owner might not know or care.)
- Dog owners must immediately fill any hole their dog dig. Be cautious when walking in the park, be on the lookout for holes dug by other dogs.
- Dogs must be leashed when entering or exiting the area. Dog owners must have a leash with them at all times

- For the safety of the dogs and their owners, please refrain from smoking and bringing food into the fenced area. Please do not bring treats for your dog into the fenced area, other dogs will smell the treat and want one too
- Do not introduce a new puppy to the park until it has received all its vaccinations.
- Be aware of the communal diseases that your dog may catch from other dogs in the park, kennel cough, ring worm, etc
- Remember: Users of the park do so at their risk, the counties are not responsible.
